

# Funding opportunities for life scientists in Germany

This special EMBO information session is organized by EMBO and hosted by the Charité and Berlin Institute of Health.

It will provide PhD students and postdoctoral researchers with information about EMBO Fellowships and other funding schemes supporting life scientists in Germany.

Participants will have the opportunity to join a Q&A session and the event will conclude with a networking opportunity with EMBO Members.

Refreshments will be available.

16:00 Presentations

16:45 Q&A

17:45 Networking

18:30 Event concludes

**Hörsaalruine,  
Berlin Museum of Medical History  
Charitéplatz 1, 10117 Berlin  
Tuesday, 7 May 2024**

*As space is limited  
please register:*

EMBO 02/2024
